IN THE VEHICLE DURING PERMITTED OPERATIONS.**

Terms and Conditions

A. Scope of Authorization:

The Permittee is hereby authorized to transport hazardous and/or Connecticut regulated waste in accordance with this Permit, Regulations of Connecticut State Agencies Sections 22a-449(c)-100 through 119 inclusive and 22a-449(c)-11 and Section 22a-454 of the Connecticut General Statutes. The Permittee shall only use those vehicles that are registered, fully insured and appropriately equipped to transport authorized wastes. This permit does not authorize the transfer of hazardous/Connecticut regulated wastes from one vehicle to another or from one mode of transportation to another.

B. Operating Conditions:

This Permit incorporates by reference the Permit Application for Waste Transportation cited on the first page of this Permit.

1. The Permittee shall ensure that each driver employed is completely familiar with the terms and conditions of this permit prior to transporting waste in or through Connecticut. A copy of the Proof of Permit (first page of this Permit) shall accompany each vehicle used by the Permittee to transport waste authorized by this Permit.
2. The transporter permit number shall be displayed on the sides and rear of each waste-carrying portion of the vehicle, authorized to transport wastes, in letters and numbers of contrasting color and at least four inches (4") high.
3. All wastes authorized to be transported by this permit shall be transported in compliance with all applicable provisions of Title 49 of the Code of Federal Regulations.
4. Transporters who provide a pre-printed manifest to a generator/shipper/offeror of hazardous waste shall ensure that all information pre-printed is correct and clearly legible on all copies. This includes, but is not limited to: US EPA Generator ID Number, Generator Name and Mailing Address, Generator's Site Address; Emergency Response Phone; Transporter(s) US EPA ID Number and Company Name; Designated Facility US EPA ID Number, Name and Site Address; all waste information (Items 9 – 13 and item 19); Alternate facility US EPA ID Number, Name and Site Address if applicable.

Manifest forms (EPA forms 8700-22 and 8700-22a) are designed for use with a 12 pitch font. Pre-printed manifests using smaller font may be rejected by the Permittee as not fulfilling the legal notification requirement. Pre-printed manifests should be inspected (especially the last copy – page 6) before the driver goes out to pick up the waste shipment to ensure legibility and correctness. Equipment used to print manifests should be maintained regularly and adjusted/serviced as needed.

5. The Permittee shall not store, transfer, treat, discharge, dispose or otherwise manage

11. The Permittee shall ensure that all drivers engaged in the transportation of wastes which are hazardous materials as defined in Title 49 of the Code of Federal Regulations ("CFR") 171.8 are provided with, at a minimum, the training required pursuant to 49 CFR 172.704 and 177.816. Each vehicle authorized to transport hazardous/Connecticut regulated wastes shall be equipped, at a minimum, with the emergency equipment required pursuant to 49 CFR Part 393, Subpart H.
12. The Permittee shall ensure that personnel engaged in emergency response as defined by 29 CFR subparagraph 1910.12(a)(3) are in compliance with all applicable requirements of the regulations developed by the Occupational Safety and Health Administration cited in 29 CFR.
13. The Permittee shall provide and maintain the required emergency information prescribed in 49 CFR 172, Subpart G - Emergency Response Information. When a package or container leaks in the course of transportation the Permittee shall ensure that, at a minimum, the actions required pursuant to 49 CFR 177.843 and 177.854 are complied with as applicable.

C. Reporting and Inspection Requirements:

1. Monthly Reports for each calendar month of the permit period shall be compiled by the Permittee on or before the 10th day of the following month. Such reports shall be maintained by the Permittee in electronic or hardcopy form for the life of this Permit plus five (5) years, and shall be made available for review by the Commissioner upon request. Monthly Reports shall be compiled using a template specified by the Commissioner and in accordance with the following:
 - a. The Permittee shall report ALL Connecticut Regulated Wastes transported, regardless of whether or not such waste is accompanied by a Manifest. This includes all Non-Hazardous Waste PCBs, Waste Oil, Waste Water Soluble Oil, and/or Waste Chemical Liquids that are transported in a calendar month.
 - b. ANY and ALL unmanifested Hazardous Wastes (as per 40CFR 261) that are transported in a calendar month shall be recorded by the Permittee and appear on the Monthly Report.
 - c. If no hazardous/Connecticut regulated waste was transported in a calendar month, the Permittee shall record "No Waste Transported."
2. The Permittee shall ensure that periodic inspections are conducted on each vehicle, authorized to transport hazardous/Connecticut regulated wastes, in accordance with 49 CFR 396.17. Copies of the inspection reports shall be provided for the Commissioner's review upon request.
3. The Permittee shall allow the CT DEEP to conduct inspections to ensure permit compliance. These include but may not be limited to evaluation and review of records, inspection and sampling of facilities and vehicles, photographs (including aerial), or other means deemed necessary for documentation of the inspection.
