Mr. Ronald Guenther
Chemtron Corporation
35850 Schneider Court
Avon, OH 44011

**RE: Receipt of Hazardous Waste Facility Installation and Operation Permit
Application Renewal
U.S. EPA I.D. No. OHD 066 060 609**

Dear Mr. Guenther:

This letter is to acknowledge the June 14, 2013 receipt of the renewal application for your Ohio Hazardous Waste Facility Installation & Operation permit and for the application fee of \$1500.00.

In accordance with the provisions of Section 119.06 of the Ohio Revised Code, your permit will remain in effect until formal action is taken on your application. Chapter 3734 of the Ohio Revised Code requires that you continue to comply with the terms and conditions of your permit and applicable regulations.

If you have any questions concerning this matter, please contact John Nyers at (614) 644-2621.

Sincerely,

A handwritten signature in cursive script that reads "Georgia Frakes".
