RE: **Broker's A-901 Approval and Approved Registration Statement**

Dear Applicants:

This is to advise you that the investigative report from the Attorney General required under N.J.S.A. 13:1E-126 et seq. has been received by the Department of Environmental Protection. Based on our review of the aforementioned investigative report, the Department is hereby authorizing the following entity to act as a **Broker** engaged in the solid waste and hazardous waste industry of New Jersey:

INNOVATIVE RECYCLING TECHNOLOGIES, INC.

As a Department-approved broker, this entity may charge a commission or fee to arrange for the transportation or disposal of solid waste or hazardous waste within this State. N.J.A.C. 7:26-16.2.

Please be advised that the license hereby issued is a "**conditional**" license and is modified by the terms and conditions as specified on the attached document as they have been put forth by the Attorney General's Office. Failure to meet the specified conditions will result in the revocation of this license.

This license authority is only issued to Innovative Recycling Technologies, Inc. for its exclusive use and control, and it must be renewed annually by filing the Annual License Update form as well as any other change of information concerning your company or its operation as required by the Department.

Please note that you are required to obtain a Certificate of Public Convenience and Necessity (CPCN) prior to acting as a broker for solid waste. An application is enclosed. You may act as a broker for hazardous waste without a CPCN. Questions regarding the CPCN should be directed to (609) 633-1389.

Sincerely,

Deborah Pinto, Chief
Planning & Licensing

Innovative Recycling Technologies, Inc.

Condition of Waste Broker License: Maintaining Separation of Companies

All books and records must be maintained separately for each licensed company, including but not limited to billing and finances.

Condition of Waste Broker License: Certification of Public Convenience and Necessity

The licensee must obtain a Certificate of Public Convenience & Necessity ("CPCN") before brokering solid waste in this State.

Condition of Waste Broker License and Notice to Licensee: Key Employee Disclosures

All supervisory or discretionary decisions with respect to solid waste operations can only be made by key employees disclosed to the Department pursuant to N.J.S.A. 13:1E-127(f). Therefore, Innovative Recycling Technologies, Inc. is required to file a Personal History Disclosure for all key employees; that is, any supervisors, or any individuals empowered by Innovative Recycling Technologies, Inc. to make discretionary decisions with respect to the solid waste operations of the company. Innovative Recycling Technologies, Inc. must file a Personal History Disclosure for these individuals regardless of whether they are employees of Innovative Recycling Technologies, Inc. or independent contractors.

Condition of Waste Broker License: Broker Must Only Engage the Services of A-901 Licensed Transporters

The licensee must only engage the solid or hazardous transportation services of A-901 licensed entities. All transporters must comply with State and Federal transportation requirements, and have current decals affixed to their equipment. Further, in the case of hazardous waste transportation, the A-901 transporter must be licensed specifically by the Department to transport hazardous waste.

Condition of Waste Broker License: Official Company Name

The State of New Jersey, Division of Commercial Recordings database indicates that this company is registered as Innovative Recycling Technologies, Inc. (commercial record number: 0100997922), which is the official company name licensed as a waste broker in New Jersey. Therefore, you are required to conduct all solid waste business activities and operations under the registered and licensed name of: Innovative Recycling Technologies, Inc., including, but not limited to, billing and invoices, insurance, and all state and federal identification numbers and registrations.

Condition of Waste Broker License: Prohibition of Sale of License

Pursuant to N.J.S.A. 13:1E-133: If, at any point subsequent to issuance of this license, this company has no solid waste equipment registered with NJDEP, or has no customers: the owners are prohibited from effecting any transaction which results in a change in majority ownership of the company, until NJDEP has reviewed disclosure statements from the proposed new owners and approved their participation in the New Jersey solid waste industry in accordance with N.J.S.A. 13:1E-126 to 135.

Condition of Waste Broker License: Attendance at a NJDEP Compliance Assistance Workshop on A-901 and related laws

All key employees (that is, any supervisors, or any individuals empowered by Innovative Recycling Technologies, Inc. to make discretionary decisions with respect to the brokering operations of the company) must attend a Compliance Assistance Workshop offered by NJDEP within 90 days of the date of this license. Please email roxanne.feasel@dep.nj.gov for further information.

Condition of Hazardous Waste License: Comply with all Federal and State Transporting Regulation

Hazardous Waste is specifically identified and regulated by the United States Environmental Protection Agency (USEPA) by 40CFR, Part 262 and incorporated by reference into the regulations of NJDEP. Therefore, the licensee must comply with all governing State and Federal laws applicable to hazardous waste transportation in New Jersey prior to the transportation of hazardous waste and provide proof to the Department at the time of filing your registration statement with NJDEP's Licensing and Registration Unit to obtain decals. Specifically, but not limited to:

1. Obtain a USEPA Transporter Registration Number
2. Proof of compliance with the minimum financial responsibility requirements covering public liabilities, property damage and environmental restoration set out at 49 C.F.R. Part 387 in a form approved by the Department; MCS-90
3. Proof of Hazmat Training conforming to 49 CFR 172.700 to 172.704
4. Proper registration with the U.S. Department of Transportation (USDOT) for any applicable transportation activities
5. Proof of current registration with the Pipeline Hazardous Material Safety Administration to transport hazardous material
6. If applicable, satisfactory completion of NJ State Police - New Entrant Program, or are in good standing with NJ State Police Motor Vehicle Enforcement

Failure to comply with these conditions may result in formal enforcement actions or denial of NJDEP Transporter registration statement and decals. The licensee is also required filing annual updates on time with the Division of Law; and maintaining good standing with Taxation. Failure to comply with these requirements shall constitute grounds for immediate revocation of this A-901 license.

Condition of Hazardous Waste License: Official Company Name

The State of New Jersey, Division of Commercial Recordings database indicates that this company is registered as Innovative Recycling Technologies, Inc. (commercial record number: 0100997922), which is the official company name licensed as a hazardous waste transporter in New Jersey.
