Re: Women-owned Business Enterprise (WBE) Certification
Type: Construction

Dear Virginia Ewen:

We are pleased to inform you that The Port Authority of NY & NJ has re-evaluated your business and determined that it continues to be eligible to participate in the agency's Women-owned Business Enterprise (WBE) Program. **Innovative Recycling Technologies, Inc.** remains in the Port Authority's on-line directory of certified MWBEs, which can be accessed at:

<https://panynj.diversitysoftware.com/FrontEnd/SearchCertifiedDirectory>.

However, to participate in our construction program for MWBEs, your firm must first be qualified. Your construction references are being reviewed by our Engineering Department. Once the review is completed, you will be notified under a separate letter.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Diversity, Equity and Inclusion in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location, and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for five years or until June 7, 2027, after which you must submit a recertification application with supporting documentation. The application can be accessed from our Web site: www.panynjSD.com

If you have any questions regarding your certification, you may contact me at (201) 395-3952 or via email at enjoku@panynj.gov

Sincerely,

Ed Njoku
