**6 NYCRR PART 364
WASTE TRANSPORTER REGISTRATION**

GENERAL CONDITIONS

The registrant must:

1. Carry a copy of this waste transporter registration in each vehicle used to transport waste. Failure to produce a copy of the registration upon request is a violation of the registration.
2. Display the full name of the transporter on both sides of each vehicle and display the waste transporter registration number on both sides and rear of each vehicle containing waste. The displayed name and registration number must be in characters at least three inches high and of a color that contrasts sharply with the background.
3. Deliver waste only to receiving facilities authorized to accept such waste. Registrant must demonstrate that facilities are so authorized if requested to do so.
4. Submit to the Department a modification application for any change to the registration.
5. Contain all wastes in the vehicle so there is no leaking, blowing, or other discharge of waste.
6. Comply with all requirements of Subpart 364-5 pertaining to the use of waste tracking documents.
7. Maintain records of the amount of each waste type transported to each destination facility on a calendar-year basis. The transporter is obligated to provide a report of this information to the Department by March 1 of each year.
8. This registration is not transferrable. A change of ownership will invalidate this registration.
9. This registration does not relieve the registrant from the obligation to obtain any other approvals or permits, or from complying with any other applicable federal, state, or local requirement.
10. Renewal applications must be submitted no less than 30 days prior to the expiration date of the registration to:

WASTE TRANSPORTER PERMIT

GENERAL CONDITIONS

The permittee must:

1. Carry a copy of this waste transporter permit in each vehicle used to transport waste. Failure to produce a copy of the permit upon request is a violation of the permit.
2. Display the full name of the transporter on both sides of each vehicle and display the waste transporter permit number on both sides and rear of each vehicle containing waste. The displayed name and permit number must be in characters at least three inches high and of a color that contrasts sharply with the background.
3. Transport waste only in authorized vehicles. An authorized vehicle is one that is listed on this permit.
4. Submit to the Department a modification application for additions/deletions to the authorized fleet of vehicles. The permittee must wait for a modified permit before operating the vehicles identified in the modification application.
5. Submit to the Department a modification application to add a new waste category or a new destination facility, or to change the current waste or destination facility category. The permittee must wait for a modified permit before transporting new waste types or transporting to new destination facilities.
6. Submit to the Department a modification application for any change to the permit.
7. Comply with requirements for placarding and packaging as set forth in New York State Transportation Law as well as any applicable federal rules and regulations.
8. Contain all wastes in the vehicle so there is no leaking, blowing, or other discharge of waste.
9. Use vehicles to transport only materials not intended for human or animal consumption unless the vehicle is properly cleaned.
10. Comply with requirements for manifesting hazardous waste, regulated medical waste, or low-level radioactive waste as set forth in the New York State Environmental Conservation Law and the implementing regulations. Transporters who provide a pre-printed manifest to a generator/shipper/offendor of regulated waste shall ensure that all information is correct and clearly legible on all copies of the manifest.
11. Deliver waste only to transfer, storage, treatment and disposal facilities authorized to accept such waste. Permittee must demonstrate that facilities are so authorized if requested to do so.
12. Maintain liability insurance as required by New York State Environmental Conservation Law.
13. Maintain records of the amount of each waste type transported to each destination facility on a calendar-year basis. The transporter is obligated to provide a report of this information to the Department by March 1 of each year.
14. Pay regulatory fees on an annual basis. Non-payment may be cause for revocation or suspension of permit.
15. This permit is not transferrable. A change of ownership will invalidate this permit.
16. This permit does not relieve the permittee from the obligation to obtain any other approvals or permits, or from complying with any other applicable federal, state, or local requirement.
17. Renewal applications must be submitted no less than 30 days prior to the expiration date of the permit to:
